

# Defunding Planned Parenthood Action Guide

During the campaign, President Donald Trump committed to: ***“Defunding Planned Parenthood as long as they continue to perform abortions, and re-allocating their funding to community health centers that provide comprehensive health care for women.”*** Likewise, Congressional leadership made that same promise. But this won't happen without us — the millions of pro-life Americans — calling upon our elected representatives to take swift action.

A budget process has already begun that would block Planned Parenthood from receiving nearly **half a billion dollars** in annual funding, which they have been raking in from us — American taxpayers. Our voices calling for defunding Planned Parenthood must be louder and stronger than the abortion chain's partisan political machine and their media allies.

## What to do right NOW:

1. Call the offices for your U.S. Representative and two U.S. Senators, and tell them: ***“Send a budget to President Trump’s desk defunding Planned Parenthood, and redirecting those dollars to community health centers that provide a higher standard of care for women.”*** Use any, or all, of the talking points below as needed. You can find the names and contact information for your U.S. Representative and two U.S. Senators at: <https://www.govtrack.us/congress/members/map>
2. Spread the talking points below on social media. Tweet at your Representative and Senators, telling them you don't want your taxpayer money going to Planned Parenthood, using the hashtag: **#DefundPP**
3. Call, text, email, and message all your pro-life friends, encouraging them to listen to the replay of this event at: [DefundingPlannedParenthood.com](https://DefundingPlannedParenthood.com) and have them call, spread the word, and tweet their Representative and Senators

## Why Planned Parenthood MUST be defunded:

- Planned Parenthood is about **abortion**, not healthcare
- Planned Parenthood is a **corrupt** organization, under criminal investigation
- Planned Parenthood is a **racist** organization
- Planned Parenthood is a partisan **political** organization
- Redirecting taxpayer funds from Planned Parenthood to federally qualified community health centers — that provide a higher standard of comprehensive preventative and primary care — is a **victory for women's health**, and is supported by the majority of Americans

This is the moment we've been waiting for ... now, let's seize this historic opportunity — together — and **end** Planned Parenthood's death grip on our taxpayer dollars! For more information, please visit: [DefundingPlannedParenthood.com](https://DefundingPlannedParenthood.com)
